📍 House 21, Avenue 2,
Block D, Mirpur 12,
Dhaka - 1216

EDUCATION

BSC In CSE (4th Year Running)
Dhaka International University - DIU
2020 - 2024

Diploma In Computer Technolgy
Rangpur Polytechnic Institute, Rangpur
2015-2019

Secondary School Certificate (SSC)
Palshbari SM Pilot High School, Gaibandha
2013-2014

SKILLS

- HTML, CSS, Bootstrap
- PHP, MySQL
- C, Python, Java
- Data Structure & Algorithm
- MS Office Package
- Leadership & Time Management

OBJECTIVE

To utilize my proficiency in PHP and MySQL alongside my HTML and CSS expertise to deliver exceptional technical support. My goal is to provide timely assistance to users, troubleshoot issues effectively, and ensure smooth operation of PHP and MySQL systems. I am committed to enhancing user satisfaction by leveraging my HTML and CSS skills to create intuitive and visually appealing interfaces that improve the overall user experience.

WORK EXPERIENCE

Trainer (Training for Teacher's on ICT)   Mar, 2023 - Aug, 2023
IBCX PRIMAX Software Bangladesh Ltd, Dhaka, Bangladesh

Conducted comprehensive ICT training for high school and college teachers. Designed modules on MS Office, cyber security, and basic networking. Led hands-on workshops to improve teaching methods, address cyber security, and establish networking skills. Provided ongoing support, evaluated effectiveness, and ensured continuous improvement.

TRAINING

Web Design Development Using PHP, MySQL   Mar, 2018 - Dec, 2018
Behance Limited, Rangpur Under LICT Project, ICT Division

Specializing in web development with a focus on PHP, MySQL, HTML, CSS, and Bootstrap, I bring extensive experience in crafting dynamic and visually appealing websites and web applications. Proficient in both frontend and backend technologies, I excel in creating seamless user experiences and robust functionalities. With a meticulous eye for design and a commitment to delivering high-quality solutions, I leverage my skills in HTML, CSS, and Bootstrap to ensure responsive and aesthetically pleasing layouts. Passionate about staying updated with the latest trends and technologies in web development, I am dedicated to creating innovative and impactful digital solutions that exceed client expectations.

Programming in C, C++   Mar, 2019- Aug, 2019
National Engineering & Development Ltd, DUET Gate, Gazipur

With a passion for precision and efficiency, I specialize in programming with C and C++, languages renowned for their versatility and performance. With a solid foundation in computer science principles, I excel in crafting efficient algorithms and robust applications in various domains, from system programming to game development. Constantly seeking to expand my knowledge and skills, I thrive in challenging environments where I can apply my expertise to innovate and solve complex problems.

DECLARETION

I hereby declare that the details mentioned above are in true to the best of my knowledge and hold the responsibility for the correctness of the above-mentioned particulars.
